

DAVID W. DESILET, P.E.
SITE ENGINEER

EDUCATION: University of South Florida - 1976
Bachelor of Science in Civil Engineering

REGISTRATION: Professional Engineer: Florida

RESPONSIBILITIES: Senior Project Manager
Drainage Engineer

PROFESSIONAL EXPERIENCE:

Senior Project Manager responsible for cost estimating and the design, permitting and construction phase services for multi-use developments, shopping centers, commercial projects, public and private roadways, industrial and residential subdivisions.

Over the past several years, Mr. Desilet has been involved with numerous design projects. Representative projects include:

- Fox Hollow West - 305 lot golf course community within the Trinity Communities subdivision in Pasco County, Florida. Work included preliminary planning, site engineering, drainage calculations, permitting, and construction administration.
- Arvida Park of Commerce - 35 acre mixed use office/warehouse park, Hillsborough County, Florida.
- USAA Office Complex - 500,000 square foot office and recreation park in Tampa Palms, Hillsborough County, Florida.
- Euro Disney - Trouble-shooting assignment for fast-track correction of complex stormwater management and grading plans for Walt Disney Imagineering, Paris, France.
- Old Hyde Park Village - 14 acre urban redevelopment project, Tampa, Florida.
- Office Depot at Tampa Commons - Rezoning, site engineering, permitting, and construction phase service for 315,075 square foot retail/office complex in Tampa, Florida.
- Brandon Brook - Shopping center and single family subdivision in Hillsborough County, Florida. Performed site engineering, transportation, permitting, and construction phase services for Lennar Corporation.
