

TED F. LINCKS, P.E.  
TRANSPORTATION & CIVIL ENGINEER

EDUCATION:           University of South Florida, 1974  
                          Bachelor of Science in Engineering

                          St. Petersburg Junior College, 1969  
                          Associate of Science

REGISTRATION:       Professional Engineer - Florida

PROFESSIONAL EXPERIENCE:

Mr. Lincks has over 43 years of experience in engineering, with the last 37 years devoted to transportation and civil engineering in Florida. He has represented the Florida Department of Transportation, Federal Highway Administration, National Highway Institute, and numerous local government agencies in the assessment of major state and local projects. Mr. Lincks was a member of the Advisory Committee for the State of Florida Manual of Uniform Minimum Standards for Design, Construction, and Maintenance for Streets and Highways and served on the Institute of Transportation Engineers "Access Management" Subcommittee. He was also the principal instructor under contract to the Federal Highway Administration for the "Design of Urban Streets" course presented to local, state and federal transportation engineers in 20 states. Presently, Mr. Lincks has served as an expert witness in the area of civil and transportation engineering for Florida Power and Light, the Florida Department of Transportation, Florida Turnpike Authority and numerous private clients.

Mr. Lincks has 37 years experience in assessing transportation and site engineering requirements for major land uses within Florida. He has represented major mixed use developments including New Duval, Argyle Forrest, Trinity Communities, Apollo Beach and Tampa Palms. He also provides transportation and civil engineering services to numerous corporate clients including Office Depot, Home Depot, Albertson's, Amoco, Amerada Hess, Shell Oil and McDonald's.
